

SIXTY WEST

WE ARE HIRING!

Sixty West is looking for an individual to assist with site maintenance!
Tasks include, but not limited to:

- Grass cutting - riding mower
- Whipper snipping & weed whacking
- Weed spraying
- Garbage pick up
- Signage repair/removal/installation

Hours will vary per week based on current conditions & weather and will pay \$20/hour. It is anticipated that about 20 hours per week will be required on average. The successful candidate must be able to work independently with little supervision and be able to troubleshoot general lawn maintenance related issues as needed. Local to Sylvan Lake is preferable for logistical reasons. Please forward resumes to info@sixtywest.ca
